# DISCLOSURE OF INFORMATION ON RADON HAZARDS RADON WARNING STATEMENT

Every tenant interested in leasing residential real property is notified that the property may present exposure to dangerous levels of indoor radon gas that may place the occupants at risk of developing radon induced lung cancer. The landlord leasing the property has agreed to provide the tenant with any information on radon test results of the dwelling showing elevated levels of radon in the owner's possession. The Illinois Emergency Management Agency (IEMA) strongly recommends ALL homebuyers have an indoor radon test performed prior to purchase or taking occupancy, and mitigated if elevated levels are found.
